

Communities Mental Health & Wellbeing Fund Year 3.

We are delighted to announce that the following organisations have been successful in securing funding from the Communities Mental Health & Wellbeing (CMHWP) Fund.

This year we had £278,000 to distribute in East Dunbartonshire. We had a total of over £600,000 of applications, which unfortunately meant the panel had to make some very difficult decisions on who to award funding to. EDVA appreciate all the time spent by organisations on completing the application.
